Ortiz Oga Imanol

Web Developer

+54 9 3584269790	ortizogaima.github.io/portafolio	Río Cuarto, Córdoba

Objective

I am a web developer with knowledge in HTML, CSS, JavaScript and frameworks such as Vue and React. I am looking to join a company where I can continue learning, grow professionally, and contribute with commitment and responsibility. My goal is to consolidate my career in web development, applying my technical skills while gaining experience in real projects, within a collaborative and constantly evolving environment.

Experience

Let's Code – letscode.ar, Río Cuarto
